PRODUCT SPECIFICATION

DESIGN & DEVELOPMENT:

A new range of Deluxe & Sahara bars have been designed for 2005 to 2011 and 2011 On Hilux 4x4's with flares. Please refer to the table on page 2 for bar numbers that are being obsoleted.

These bars have been designed to incorporate ARB's new fog light surround and fog light (refer separate product release for further details) and the recently released LED clearance light / turn signal assembly. The fog light surround can be fitted with either ARB's new fog light or with the genuine Toyota fog light.

Winch bars are now supplied with the two piece mount kit which will allow fitment of the Warn ZEON range of 8,000 and 10,000lb winches.

PROTECTION & STYLING CHARACTERISTICS:

- Vehicle Specific designs to complement 2005 to 2011 and 2011 On Toyota Hilux with flares.
- Durable steel construction for maximum protection.
- Incorporates ARB's renowned multi fold upswept and tapered wing design for optimum strength and approach angle.
- Cover straps attached to the uprights ensure there are no exposed edges (Deluxe Bars only).
- Continuous uprights through the bumper section of the bar strengthens the outer frame.
- Superbly engineered, airbag compatible mounting system.

PROTECTION & STYLING CHARACTERISTICS CONT.:

- These bars add approximately 182mm to the overall length of the vehicle (including the buffers).
- Two piece mount accommodates Warn, Bushranger and Smittybilt low mount mid frame electric winches up to 10,000lb.
- Twin Hi-Lift jack points located in the pan of the bar.
- Provision to accommodate a range of IPF and ARB Driving Lights.
- Lightweight polypropylene fog light surround.
- Accepts either 51W ARB Fog light part No 3500590 or Toyota genuine fog light.
- Press form light/turn surround.
- LED light/turn signals.
- Durable urethane buffers.
- Two aerial brackets located on the centre frame of the bar (Deluxe).
- Finished in a hard wearing satin black powder coat with the added option of colour coding to individual vehicles.

PART NUMBERS AND AVAILABILITY:

Part Number	Description	Barcode	Price (THB) including VAT 7%, excluding installation	Replaces
Bull Bars

FOG LIGHTS:

Hilux Deluxe & Sahara Bars feature a new fog light surround that accepts either the Genuine Toyota Fog light or ARB's new 51W Fog Light Part No 3500590 (Refer separate product release).

ARB Auxiliary Fog Light Loom Part No 3500530 is required if fitting the ARB Fog Light option.

A clear fog light cover is being developed separately under part no 3500680. (prototype shown)

LED LIGHT/TURN SIGNALS:

Deluxe bars feature ARB's LED clearance light/turn signal combination light in a press formed aperture in each wing.

HI-LIFT JACKING POINTS:

Each bar comes standard with two reinforced Hi-Lift jacking points fitted to the centre pan.

DRIVING LIGHT MOUNTS:

Deluxe Bars include laser cut holes in the top of the centre pan for fitment of a range of compatible driving lights such as ARB Intensity and IPF 808, 800 and 900 series lights.

Note: Pinning holes for ARB Intensity Lights included.

Fitment of ARB Intensity lights will limit access to the winch clutch handle. The handle can still be accessed by opening the bonnet and accessing between grill and radiator.

WINCH MODEL FITMENT:

Hilux Sahara & Deluxe Winch Bars incorporate a two piece mount system and will fit the following winches:

- Warn M8000, XD9000, XP9.5 and XDC 9.5.
- Warn ZEON 8, 8-S, 10 and 10-S.
- Magnum 8,000 and 10,000.
- Smittybilt X20 10K.
- Bushranger DV-9TH, DS-9TH and Seal 9.5TH.

Additional fit kits may be required depending on the winch to be fitted:

- Warn ZEON fitment requires Part No W89965 Short Wiring Kit.
- Hawse Fairlead Spacer Kit Part No 3500600 required if winch has synthetic rope.
- Smittybilt Solenoid Bracket Part No 3500580 required if fitting a Smittybilt winch.

AERIAL MOUNTS:

Deluxe Bars feature two aerial mounts welded to the centre tube to allow fitment of UHF/AM radio and mobile phone aeriels/antennas. Sahara bumpers have two mounts welded on the polished centre tube as well as laser cut holes in the centre top pan for when the centre tube is not fitted.
